Investigation into the Membership of
Louisville Gas and Electric Company
and Kentucky Utilities Company in the
Midwest Independent Transmission
System Operator, Inc.

Case No. 2003-00266

**Request for Partial Extension
of the Procedural Schedule**

Intervenor Midwest Independent Transmission System Operator, Inc. ("Midwest ISO"), hereby requests a partial extension of the schedule set out in the Commission's Order dated August 19, 2004. It respectfully requests that the Commission extend the deadline to October 26, 2004 for the Midwest ISO to file and serve responses to LG&E/KU's data requests. Counting subparts, LG&E/KU submitted 81 data requests addressed to Midwest ISO witness Ronald R. McNamara. The Midwest ISO has worked diligently and with the intention of filing and serving these requests today. However, it has proved impossible for the Midwest ISO to complete its responses by the original deadline. Extension of the deadline to October 26, 2004 would allow the Midwest ISO to file and serve its responses to LG&E/KU's data requests simultaneously with its responses to the data requests tendered by the Commission Staff.

The Midwest ISO believes that this extension will not prejudice LG&E/KU or any other participant. It is the only party required to file testimony on November 12, 2004, and LG&E/KU is not required to file further testimony until December 20, 2004. Any scheduling difficulties created by this request can be discussed by the parties at the upcoming informal conference. The Midwest ISO is willing to discuss further modification of the procedural schedule to accommodate other participants in this case.

WHEREFORE, the Midwest ISO respectfully requests that the Commission enter an order partially amending the procedural schedule established in its Order dated August, 19, 2004, to allow the Midwest ISO to file and serve its responses to LG&E/KU's discovery requests by October 26, 2004.

Respectfully submitted,

Katherine K. Yunker
